

Regent Centre Interchange

Refurbishment 23 July – 30 August

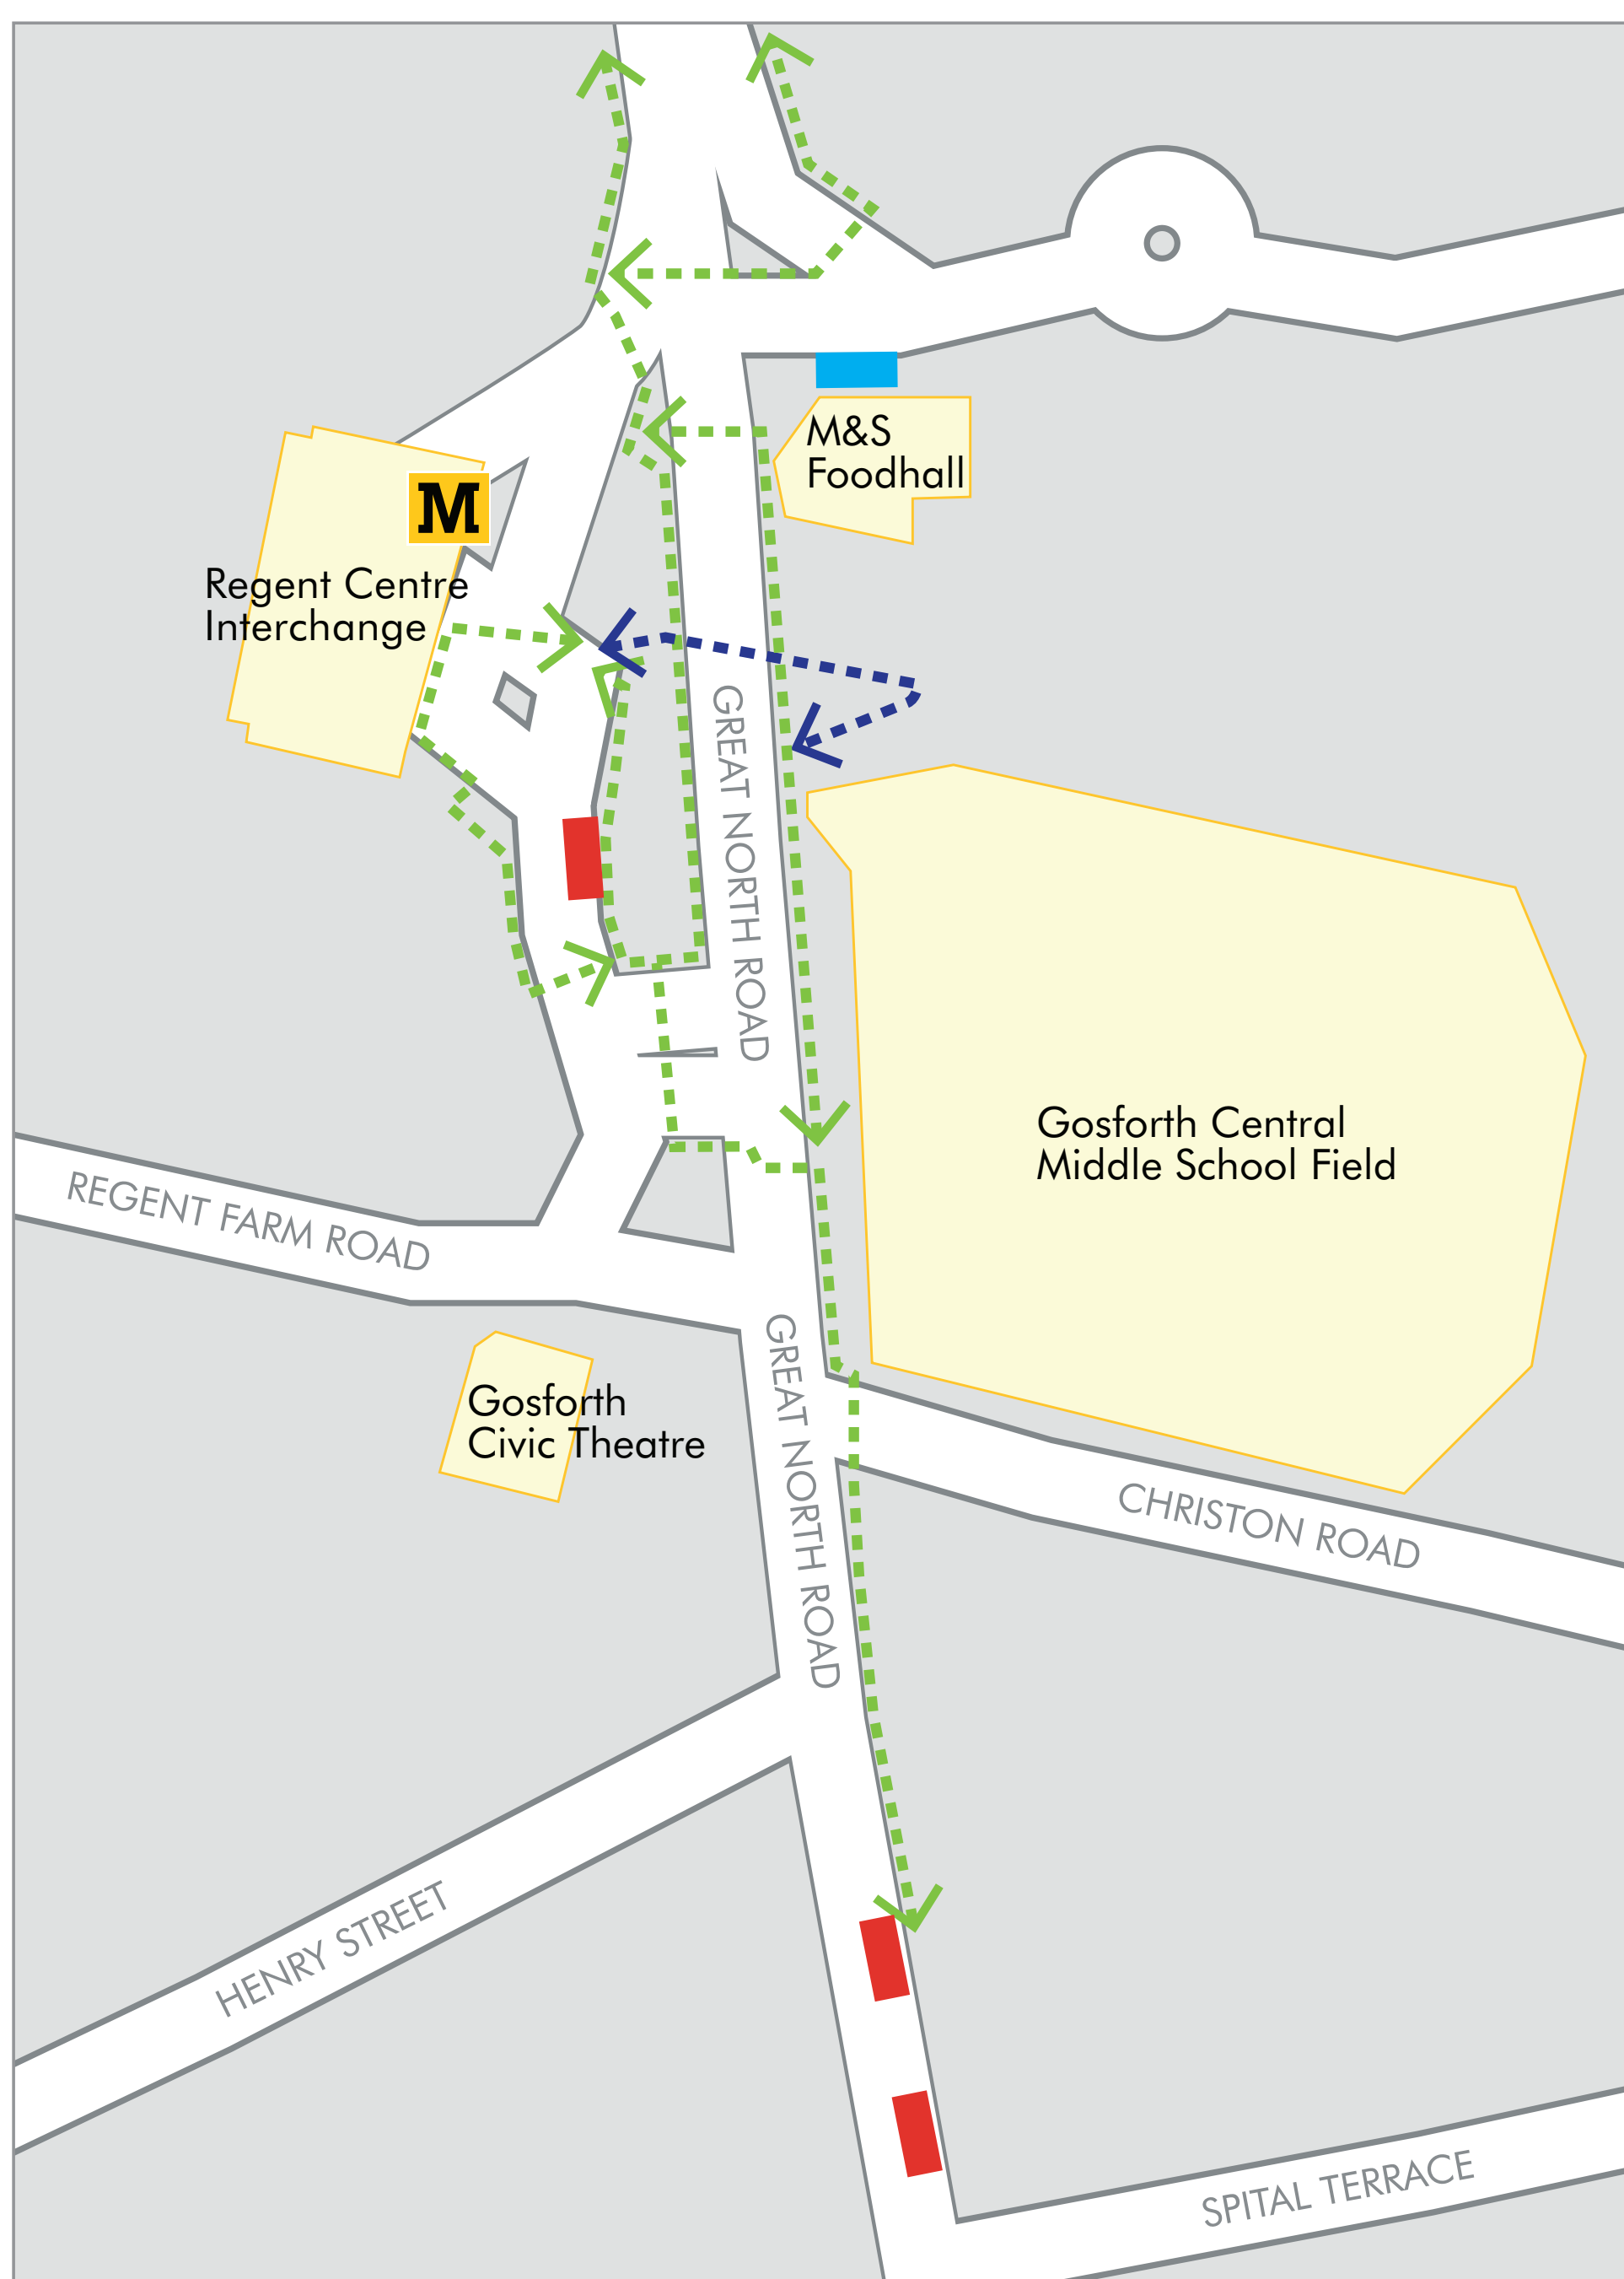

From Thursday 23 July, work will start on the removal of the bus interchange canopy outside the Metro station. While the work takes place buses will use different bus stops to normal.

- **Northbound buses**
(ie those travelling from Newcastle city centre and service 553) will use temporary stops in the interchange.
- **Southbound buses**
(ie those travelling towards Newcastle city centre) will travel past Regent Centre and stop at temporary bus stops on Great North Road, shown on the map.

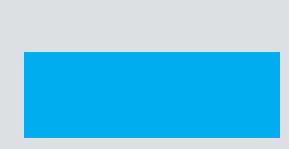

Please follow the safe walking routes to the interchange and the temporary southbound bus stops as shown on the map.

Buses will return to their normal stops from Monday 31 August.

For more information, go to travelnortheast.uk/bus

Key

-  Pedestrian route
-  Temporary bus stops
-  Great North Road underpass – no step free access
-  Metro replacement bus stop
